

You Came Down For Me

You came down from heaven to earth for me. You left all your glory for me.
You loved me more than your life. You became human to reconcile me with
God.

I meditate on what you have done for me. Thank you, Lord, for all you did to
save me.

You're a true light shined in the darkness, saving us from eternal separation
from God.

May you only be glorified in my life.

May you only be gloried in all of my strength.

May you only be glorified in the rest of my year.

Yes, Jesus, yes my Lord, I can't begin to finish what you have done for me.

I came to you just as I am with all my burdens.

When I call upon your name all (my burdens) fall away.

Your blood made me free from all sins.

What do I offer in turn for the Lord who saved me?!

I'm a sinner from my birth, unable to keep your commandments.

It isn't because of my prayer and fasting I was saved.

I believed in Jesus, I received eternal life.

My eyes are opened, now I can see.

Jesus, the prince of peace, came into my life.

Walking with you, Lord, is wonderful; I live to praise and worship you.

You carried the cross to save me; You took away the curse and the death.

Because you bore my shame and curse, I received honor, I received life.

You Came Down For Me

Anaaf gadi buute sami gubba irraa. Anaaf dhiiftee duftee ulfinna san maraa.
Jireena kee caala lubboo koo jaalate. Rabbi na araarsuuf Yesuus nama taate.
Keesa koo dedeebi'a wonti jasaan keeti. Waaqa kana naagoote galatoomfami

Ifti dhugaa Si'i dukkana kan ibsee. Badii bara baraa jela ka na hammibisee.

Ati callaan ulfaadhu humnaa koo irratti
Ati callaan ulfaadhu bara koo irratti
Hashuu Yesuus, hashuu Yesuuse, kan kee odeese fixuu, kan kee odeese

Ba'aa kiyyaa wojiin gara kana kee dhufe.
Maqaa kan kee wamnaa hunduu na irraa kufee
